Dear Parent/Guardian:

As you are aware New York State Education Law requires you to submit in writing your request for transportation services for your child if he/she will be attending a non-public school for the upcoming 2023-2024 school year on or before **April 1st, 2023**. Enclosed is a copy of the district transportation form which **must** be completed for **Deer Park Transportation**. **Please complete the form and mail it to the transportation office at 81 Lake Avenue, Deer Park, 11729 before April 1st or email it to Camodeo.k@deerparkschools.org. If your child will be attending Kindergarten, you must submit proof of your address to Central Registration.**

The Office of Central Registration has your child's registration information on file. **If you have moved within Deer Park and have a new address** in Deer Park you need to email the proof of your new address to centralreg@deerparkschools.org.

In the event you fail to comply with our district's non-public school registration process your child will **not** be issued a transportation route for the upcoming school year and your child's textbooks will be placed "on hold" by Eastern Suffolk BOCES until the district registration paperwork has been submitted.

Should you have any questions do not hesitate to contact the Transportation Office at 274-4060 or Central Registration at 274-4372.

Sincerely,

James Petti

Central Registration Coordinator
