## October 2025

### A Message From The Executive Director, Dermoth Mattison

I would like to take a moment to focus on excellence, a core value that our scholars display each day. This month, our scholars displayed excellence in all that they have done. During our first field lesson, they showed upstanding behavior and received many compliments from the staff at White Post Farms. Our scholars continued to show excellence by using their talents to celebrate culture during our Hispanic Heritage Month assembly. Shortly after, our scholars displayed their academic excellence and growth during their first Interim Assessment. At South Shore Charter School, our teachers and staff guide our scholars to display excellence in all that they do, so they can continue to thrive in and outside of the classroom.
